**“Come to Me, all you who labor and are heavy laden, and I will give you rest”**

## Beacon Light Mission

I was invited to speak at the Beacon Light Mission in September. I did a painting presentation called “The Fear Factor” (my personal testimony), then spoke about Jesus and the Leper. The room was full of men and women of all ages, nationalities and backgrounds. These dear people either stayed at the Mission or came for a warm meal and a word from God. After the message I prayed for breakthrough for addictions and relationships, then a call for salvation. 20 people stood to their feet and prayed for Jesus to become their Savior and Lord. I was amazed at the response. The Lord Jesus was in that meeting convicting and drawing these men and women to Himself. To God be the glory for the things He has done! Please pray for these people whom God loves and gave His life.

## No Longer Unequally Yoked

On a warm September evening on the Santa Monica Pier, at the end of one of my gospel painting/presentations I gave an alter call for all those who wanted to trust Christ as their personal Savior. Nine people raised their hands. I sensed the Holy Spirit saying, “One more, one more” so I paused and said, “There is one more here that needs to come to Jesus”. A lady raised her hand and came forward with the others to pray.

As it turned out this lady, a Muslim was standing with her boy friend. She was in tears as she told me that they could not be married because her boy friend was a Christian and she was a Muslim. But now as a Christian she was free to marry him! What a joy it was to witness the work of God in the lives of this brand new Christian couple.

## **Entering into the Labor of Others**

In high school I played on several athletic teams. Football, baseball, track & field were my main sports. Each team was similar in the same way.. all pulled together to compete for our school. Remember the Beach Boys song "Be true to your School?" The Body of Christ is no different. We are all called to compete for the Lord Jesus Christ. I have had the opportunity to serve in the Body in many ways, but by far the most rewarding has been seeing men, women, boys and girls come to a saving knowledge of the Lord Jesus. In the book of John he talks about sowers and reapers. He says that reapers enter into the work of the sowers. I have seen this happen first hand throughout the years. Every time I lead either a few or many people to the Lord Jesus, I know that others have sown the seed of prayer into their hearts. I believe it is because of the prayer of others that I get to see people give their lives to Christ on an ongoing basis. What a joy it is to be used of God in this way. I can only give God all the praise and all the credit for what He does through His Body of believers.

### **Share Christ-Love People by Linda Felis**

We are all busy people and all the more we need to make spending time with God our number one priority. None of us can live our life in our own strength. How many of us including myself have tried and failed. God didn't give us the wonderful gift of the Holy Spirit just to put Him in the corner. Without Him we can do nothing of true value, let alone share Christ and love people. We all get bogged down with issues in our lives dealing with world issues which change daily. It's always a challenge to take our focus off of our agenda for the day and ask Jesus what He would have us do. We tend to live under two agendas; ours and God's, and the tension between them sets up stress. One of His main agendas for all of us who have become born again is to share His love and get in the trenches with others in need by His power, not our own.

People everywhere are looking for answers. Most people we deal with and talk to are really fearful about world issues and how that will affect them. They are looking for answers and hope and we have it, so let's get over our fears and share the good news!

Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world. James 1:27.

## **OCTOBER PRAYER NEEDS**

Both Linda and I have some medical issues we are dealing with. Please pray for our continued health throughout the coming year.

Please pray that we have favor with the authorities at each preaching location we have including, Seal Beach, Hermosa Beach, Redondo Beach, Manhattan Beach and Santa Monica.

Please pray for our "Free Hot Dog & Prayer" outreaches at Alondra Skatepark and EL Camino Community College. That these young people will be responsive to our gospel message.

Pray for our team members that come out with us to reach the lost for Christ. That they would be filled with love and grace toward those we minister to.

Pray for me as I have been asked to come back and minister at the Beacon Light Mission in Wilmington. That the Spirit of God would convict and draw many hurting people to Christ.
